PROFILE

My art practice includes a variety of media however, my main focus is in visual communications. I am interested in graphic, web and product design. Additionally, I've become more curious about the user interface and motions with graphics as it relates to the digital experience for consumers.

EXPERIENCE

Double Trip Press

January 2020 - Present | *Independent Contractor*

August 2019 - December 2019 | *Intern*

Assisted in day to day studio activities including pre-press setup, letterpress printing, post-press production, and assembly of works.
